- ASA stands for **Average Sunday Attendance**
- In 2021, the first Quarter only counts 3 outdoor services. Indoor worship resumed May 16, 2022. We had indoor services weekly and outdoor park services monthly until November. Numbers include both.
- On Facebook we count 1 minute views. (In 2021 some international traffic greatly inflated numbers)
- YouTube metrics are for posted videos (sermons, fora, Godly Play, etc.) or live streams.
- Instagram statistics became very hard to track given changes to the platform in 2022.
- The way each streaming service counts “views” or “listens” varies. We try to use the most conservative figures available.
